

Team Members Train to be CAMS Officials

On the 14th of April, the WASCC had it's aptly named, April Race Meeting. It featured a full bill of Historic Touring Cars, Formula Vee and the extremely exciting, Sedan Super Cup featuring V8 Supercars, Porsche Carrera Cup cars and two Ferrari 458's. In addition to watching the on track action, 6 members of the team took this opportunity to take the first step in becoming a CAMS accredited motorsport official.

Arriving at the crack of dawn, we quickly got put to work as pit lane officials. As the day progressed, we worked gridding up the cars and helped the starter. After this valuable day of training, the team members who took part will now be officiating for the WASCC at the V8 Supercars event on 3rd-5th of May. This is the largest event of the year for WASCC, and they are always on the look out for volunteers to help this event run smoothly. The day was thoroughly enjoyed.

If anyone is interested in becoming a motorsport official, contact the WASCC at wascc@wascc.asn.au and they will be able to provide you with more details.
